Career objective

Being FOSS and Python enthusiast, I believe in learning and growing by sharing knowledge. I want to utilize open source platforms to build new solutions, solve complex business problems and constantly keep learning in that order.

skills

- **Programming languages**

Python 2.x/3.x, Advanced Python, Java, SAP ABAP, SQL, CSS, HTML

- **Tools and systems**

Django, Git, vim, Linux (Fedora 24 distribution), CMS, SAP

- **Documentation tools**

Sphinx, reST

- **APIs and libraries:**

Requests (Python library)

- **Interests :**

Python, FOSS, Web development, Fedora

- Have good presentation, written and oral communication skills and good problem solving skills
- Have good team spirit, goal oriented and high interpersonal skills

Over the year, I have affiliated myself with open source communities. I am very active in many Open Source communities and within projects that allow me to utilize my skills in these areas.

Experience

Accenture India pvt. limited, Hyderabad (November, 2015 to present date)

Project - I

Client: BMW

- Programmed for in the implementation and support areas of Enterprise Resource Planning (SAP) with programming language called ABAP
- Debugging of code to resolve SAP FICO (Finance and controlling) related issues
- Working as Data Dictionary objects like Tables, Views, Structures, Table maintenance with Non-SAP Data Sources like SQL Server 2008
- Used the Modularization Techniques.

- Worked with Python on information solutions and back-end supports, including writing scripts with OO design
- Programmed for web-based application using Python with user login, product registration, order pricing etc.

Community roles:

- I actively volunteer to Hyderabad based local Python users community for organizing regular meetups
- Volunteer at PyCon India, 2016

Education

Sinhgad Institues (University of Pune) BE, Information Technology (2011-2015)

- Graduated from University of Pune with first class and aggregate 58% throughout.
- HSC from Shivaji college, 2011 (Aggregate: 81.67%)
- SSC from LBS high school, 2009 (Aggregate: 92.30%)

Personal details

Date of birth: 4 Oct, 1993

Languages known: English, Hindi and Marathi

Hobbies: Reading (blogs/books), learning new technologies

Native of: Maharashtra, India
